## Why Sponsor on Endeavour Online?

Endeavour Online has a huge range of programmes, appealing to people of various ages, interests, and backgrounds. Your advert could reach any or all of them:

- ▶ Young people tuning in for cutting edge indie and dance.
- ▶ Music enthusiasts of Blues, Country, Northern Soul and Motown.
- ▶ Others with specialist interests ranging from Rock and Metal to 60's and 80's.
- ▶ Growing communities who tune in for our Saturday Sports show or Community Issues show.
- ▶ Run by volunteers from the community.

## How Much?

That's simple. Sponsorship for any show, any time, any day starts at just **£20** per month (**Value**). Or why not go for a little extra and get **Premium** Sponsorship for **£40** a month?

## What You Get

With 'Value' show sponsorship, you'll get more than you think:

- ✓ A sponsor 'Jingle' played at the start, middle and end of hour of your sponsored show. A 2 hour show = 6 Jingle plays.

'Premium'

- ✓ In addition to the Jingle plays, numerous mentions by the presenters themselves.
- ✓ Banner adverts and a page on our website with your information.
- ✓ Your company logo and info on any promotional material we get printed.
